## Outwitting The Hun: My Escape From A German Prison Camp

by Pat O'Brien

A war narrative by an American pilot with the RAF, published in 1918 before the Great War had ended. In his preface to his adventures, the author remarks:

*There is a common idea that the age of miracles is past. Perhaps it is, but if so, the change must have come about within the past few weeks—after I escaped into Holland. For if anything is certain in this life it is this: this book never would have been written but for the succession of miracles set forth in these pages.*
